CONDITIONS

Completed expression of interest forms will be accepted via email, post or hand up until 5pm 17 February 2017. Late forms may be accepted but we may not be able to provide any hay.

You must reside on a property in drought affected western Queensland.

We **may** need to do a ballot which means some people could miss out on hay. This will be determined by the number of applications we receive and the how much hay is donated. The way the ballot will be done is:

- As applications are received they will be entered into a spreadsheet and assigned a number – starting with 1 and ending with the last application received by the due date. If 300 applications are received, then applications will be numbered 1 to 300 etc. A random number generator on the computer will be used to pick the numbers that will be removed from the ballot. This will ensure the process is fair. If we need to do a ballot, and you are balloted out I apologise in advance as I know you will be disappointed. Hopefully we will receive enough hay to meet all requests.

You will be notified of your allocation (and results of the ballot if one is done) after 17 February 2017. As I am likely to receive in excess of 250 applications, I really prefer email as sending 250+ emails is easy, but making the same number of phone calls is very difficult.

There is a \$5 per bale handling charge. This needs to be paid in cash on the day you collect your hay.

BALES MUST BE PICKED UP FROM YOUR NOMINATED COLLECTION POINT:

- **ILFRACOMBE - Racecourse**
- **MUTTABURRA - TBA**
- **HUGHENDEN - TBA**

ON SUNDAY 26 FEBRUARY 2017. It is your responsibility to have these picked up and delivered to your property. As this is donated hay a transport reimbursement may not be available.

Bales not collected will be re-allocated.

While we do our very best, quality and quantity of hay cannot be guaranteed.

Jenny Todd is acting as the hay coordinator of this event only.

Brendan Farrell is the event organiser. All thanks and acknowledgements are to Brendan, the Burrumbuttock Hay Runners, the farmers who have donated the hay, the truckies who've donated their trucks and time to deliver the hay, all sponsors and people who have donated money towards the cost associated with bringing the hay to Ilfracombe.

Information updates will be posted on our new website: www.hayrunners.com

Please do not contact me when I'm at work – Monday to Friday (8am to 4:30) as this will cause problems for me with my employer.

Note: If it rains the hay delivery will be postponed. A new form will not be required and we'll contact you soon as a new delivery date is arranged.
